My friends at Fig Leaf have developed the Advanced ColdFusion 9 Development class that will be rolling out soon and they have a special offer (call it a Christmas present!): participate in their 1-day beta class on December 22, 2009 in Washington, DC for only \$99! They'll get validation of their class exercises, you'll get the full benefit of the training at this great, one-time-only price. **[Click here for full info and to register.](#)**
