Related Categories: Flex, Adobe, ColdFusion

One of my roles at Adobe is to present eSeminars (online seminars via Adobe Acrobat Connect) related to ColdFusion. Join me, won't you? I will be presenting the Adobe ColdFusion 8 eSeminar Series over the next couple of months; details can be found via this URL:

http://www.adobe.com/cfusion/event/index.cfm?event=detail&id=1345643

Speaking of eSeminars: you might also be interested in the Adobe Flex eSeminar Series for Developers; details can be found via this URL:
