It's almost time for my 12th annual WhirlyBirthday--and this year there's a new celebration to add: my engagement to Kendall!

Everyone is invited. Yep, everyone (and if you don't live in Atlanta, you're additionally invited to crash with me while you're here). I'd love to have you, your friends, your family, etc! It's not just about WhirlyBall--after all, there's dinner beforehand. But really, it's about hanging out too and there will be a great group there so don't worry about it if you don't know many or any others who are coming--you'll meet people.

So come on: check out the details and RSVP that you'll join us via this URL:

I hope to see you there! It will be a ton of fun--and it will be better with you there! Please join us!
