

Adobe eSeminars for 2009 Quarter 1

Posted At : January 8, 2009 5:18 PM | Posted By : Josh Adams

Related Categories: Flex, Adobe, ColdFusion, AIR

One of my roles at Adobe is to present eSeminars (online seminars via Adobe Acrobat Connect) related to ColdFusion. Join me, won't you? I will be presenting the Adobe ColdFusion 8 eSeminar Series for 2009 Quarter 1 over the next couple of months; details for dates, times, and topics can be found via this URL:

<http://www.adobe.com/cfusion/event/index.cfm?event=detail&id=1345643>

Speaking of eSeminars: you might also be interested in the Adobe Flash Platform eSeminar series for Adobe AIR and Flex developers; details can be found via this URL:

<http://www.adobe.com/cfusion/event/index.cfm?event=detail&id=462539>

If there are any topics you'd like us to consider for future eSeminars, please let me know via a Comment on this entry.
