One of the exciting new features in ColdFusion 9 is Apache Lucene Solr integration. Solr is an open source enterprise search server that you can use in place of Verity in ColdFusion 9 with few limitations? Want to learn more? I'm excited to announce that Adobe's own Ray Camden will be presenting an Adobe eSeminar on this top on Thursday, September 8, 2011 @ 10:00 AM PT (1700 GMT).
